Jet Wine Bar lets you explore the wide world of wine right from our Global Vineyard on South Street West! We love to share our far-flung and fantastic finds from Morocco and Albania, homegrown grapes from PA and NJ, and traditional favorites from Italy, France, and more! Explore on your own or let us plan a trip for you. No need to drink alone—we have cheese and meat, and small plates to pair with your finds! Wine not your passion? We still have a full bar for all palates!
